S1 – VetCoin News: **It's the first newsletter!**
Congratulations! You're part of the official roll-out. I have so much to tell you about VetCoin. But today is my birthday so I will keep this note on point.

**Who is VetCoin?**
It's us! We're a team of Veterans and service minded folks seeking to provide a crypto service to active duty, Reserves, National Guard, spouses, civil servants, and their families through which we can connect with each other in a secure environment and participate in the crypto economy. Have you seen our draft whitepaper? Check it out and let us know what you think!

S2 VetCoin Community: **Why VetCoin?**
Throughout history people have gone off to war. When they returned, they and their families were and continue to be, changed. This change is often not for the better. Our mission is simple: VetCoin will harness the power of cryptocurrency to connect, enable and transform veteran communities – for the better!

S3 – Upcoming Events: **What's coming next?**
We are expanding our media presence and we want to know what your comms preferences are. I will send newsletters like this one on a weekly basis to keep you informed. We are also working on building our presence on Discord. We have groups on Facebook, Linked-in, and Reddit as well – and that's a lot so we expect to focus most of our updates on Discord.
Update discord 7 day invitation link before sending.
