VetCoin® HQ Update 2021-10-04

Let me tell you something. I had a great birthday last week. My daughter referred to me as a dinosaur because I was born in the previous century which is, of course, the ancient past. So I've got that going for me, which is nice. Also, is there anything better than Publix cake? Maybe that the 28th was National Drink a Beer Day. Yay!

Did you know April 18th was military reitree appreciation day? Me either, at least not until I came across S. RES. 148 while researching how many military reitrees there are (which, according to Congress, is about 2.1 million). I bet you didn't

know about September 28th either. VetCoin is a learning experience. It makes you smarter!

RLTW!
