VetCoin® HQ Dispatch for 2021-10-25

Who noticed I changed the title of the newsletter? Anyone? Regardless, this has been another action packed and energetic week at VetCoin HQ. Motivation is high and my recommendation is to check your safety lines and quick releases because we're getting ready for some dynamic events in what's left of 2021!

VetCoin® News!

Here at the VetCoin HQ we talk a lot about the veteran ecosystem. Those of you who have browsed our website and draft whitepapers know that veteran causes are extremely important to us. It's our primary motivator for why VetCoin exists. To help us with our mission, we have dropped our paperwork to establish a 501(c)(3) nonprofit with the expressed purpose of leveraging VetCoin to enable veteran oriented charity organizations. This is a big step forward for us and I couldn't be happier about it! We are one step closer to achieving our vision of establishing the *C. Austin "Bud" Burrell* award.

The Team is Growing!

A key lesson we learned as service members is team strength comes from its members. When a team requires an additional capability, it task organizes appropriately. This condition is no different for successful teams and efforts outside of the military. I am very pleased to announce VetCoin HQ has added new team members this week: AMB Harry T., CWO(Ret) Alex M. and business leader/philanthropist Elmer F. We thrilled to broaden our core expertise and there is no shortage of excitement on what's coming next for VetCoin!

What's coming next?

Whether you call it Veteran's Day, Armistice Day, or Remembrance Day, November 11th is a big day for veteran communities around the world and we want it to be a big day for VetCoin. We still have some key aspects to iron out in the next few weeks and OPSEC requires me to remain very careful about what I can disclose. Rest assured, it's going to be great!
