CONNECT – ENABLE – TRANSFORM
VetCoin® HQ Dispatch for 2021-11-01

The drop zone is coming up quick my friends. Our speed of approach reminds me of times past and every veteran's favorite running cadence…
C130 rolling down the strip.
64 Rangers on a one way trip.
Stand up, hook up, shuffle to the door.
Jump right out and count to four.

Ah. Good times. You know what else is good? Freebies. To show our thanks for being a newsletter subscriber, the VetCoin HQ team is sending an aerial resupply of VetCoin tokens. How about that? Oh, you didn't know VetCoin was created already? That's a little something we call OPSEC. Instructions for the air-drop are at the end of this newsletter.

VetCoin® News: It's time to CONNECT!

Have you seen our new facebook page? If you did, you will know two things:

1. There is a VetCoin group for every state in the USA. When I drafted this newsletter, Florida is in the lead with Texas and Oklahoma tied for a close second in membership. GO FL!
2. The first VetCoin mission was available and those who completed it earned free VetCoin! How sweet is that deal? Well I'll tell you that from here it looks better than Army beating Navy 15-0 last year!

The VetCoin Foundation: It's time to ENABLE!

Remember way back in the previous newsletter when I mentioned creating a nonprofit organization for VetCoin? The VetCoin Foundation is established for the purpose of distributing cryptocurrency contributions derived from VetCoin transactions to veteran oriented nonprofit organizations. Through this process we will use the crypto environment to enable solutions to the challenges veterans face after service.

What's coming next? It's time to TRANSFORM!

If there is a truism in military service, it is that nations rarely go to war on their own. In nearly every conflict there are coalitions, alliances, and occasional not-so-

public support. VetCoin is no different in that we welcome all potential allies and partners to take notice and seek to better their own nation's veteran communities.

November is **National Veterans & Military Family Month**, **Warrior Care Month**, and **National Family Caregivers Month**!

Last week I asked if you had introduced your family and friends to VetCoin. Our subscriber numbers are telling me that some of you did, and that's outstanding! There is no ceiling for the VetCoin community and we welcome everyone who cares about vets to join us on the journey to Connect, Enable, and Transform!

VetCoin Inbound! Air-drop instructions: I'll keep this simple: reply to this email and send us your Ethereum Wallet Address. If you don't have an Ethereum wallet, you can create one using Metamask or Trust Wallet.

RLTW!
Russ
