VetCoin® HQ Dispatch

Vol 10

I hope everyone had a great Thanksgiving! Only three more weeks until Winter Solstice! December 21st will be the shortest day of the year and marks the beginning of Winter.

VetCoin® News: Cash App Refunds.
Here at VetCoin HQ we have worked to make VetCoin as simple and user friendly as possible. To help us with that goal we chose to use Cash App as a method of payment during our public launch. Due to delays in banking processes, some transactions have begun to expire and people are receiving refunds. Let me be clear up front: You will NOT lose the VetCoin you received. We chose to complete pending transactions early in the process and will reach out to everyone who received a Cash App refund individually.

Expanding the Ecosystem.
Remember way back in the last *Dispatch* when I wrote about the VetCoin Ecosystem? The last time you were on the VetCoin website, you probably noticed the shop link took you to a storefront provided by a third party service. After some research, discussions, and decision making – VetCoin is staying true to our values and core mission by moving to a veteran owned business for developing and selling VetCoin products. On behalf of VetCoin I want to welcome Sua Sponte Design to the VetCoin Ecosystem! Go check them out.

Feedback!
If you have an idea for VetCoin, please go to our discord page and use the feedback section. We want the system to work for you and involve you. The only way this happens is when you share your thoughts with us. Let's go!

The VetCoin Start-Up Challenge Continues. I'm going to leave this in the Dispatch for a while because I want every veteran owned small business to get in on this

opportunity. It's the VetCoin Start-Up Challenge and we're giving up to $5000 USD and 100M VetCoin to two (2) deserving businesses. Apply today!

Russ' Note

Tomorrow is Giving Tuesday. If you are unfamiliar, it's a global movement begun in 2012 for folks to focus efforts on charity. If you are interested in helping out a military oriented nonprofit, please check out some of these ideas. I also encourage you to look locally for a nonprofit near you that can use some help and volunteer something, especially your time.

RLTW!
