VETCOIN HQ DISPATCH

CONNECT • ENABLE • TRANSFORM

Vol. 15 2022-01-03

It's the first Dispatch for 2022!

This is the time for resolution my friends. Want a little VetCoin motivation for your new year? Stop what you're doing and go view the "Discussion of two Aarons" between our very own Dr. Aaron Bazin, Co-Founder and President of VetCoin Foundation, with guest and mentor Mr. Aron Dutta, Chairman and CEO of Ambika Inc. VetCoin is squarely focused on the veteran community – that's what CONNECT-ENABLE-TRANSFORM is all about and this video explains how CET became our truth.

Veteran Owned Businesses

Did you know VetCoin has a Veteran Owned Business (VOB) Portal? We started small by listing Sua Sponte Design, our merch provider, and the portal is growing. Check it out and see what kinds of VOBs have connected with VetCoin – or start off your 2022 with a free listing for your business!

Reminder: our VOB incubation program remains open. Submit your application now because it could get you $5000 and 100m VTC toward improving your small business efforts!

Nonprofit Outreach

Within the VOB portal is a section for veteran services. This is the beginning of our listing for veteran oriented nonprofit organizations. Helping veterans is the cornerstone of what VetCoin is about. It's why we exist and where our hearts are. As with the VOB portal – get your nonprofit listed here! It's free!

What's Coming Next?

Outreach, podcasts, webinars, tutorials, virtual and live events… these are just a few of the things we have on our calendar for 2022! We have so many great ideas about how to leverage the crypto space to help veterans that our biggest challenge can be deciding where to start! I can tell you this with certainty: VetCoin isn't approaching 2022 to sit back and see what happens…VetCoin is approaching 2022 to MAKE things happen and we're sure glad you're with us!

Russ' Note

Do you know the story of Telesforo dela Cruz Trinidad? He is the only Filipino sailor in the U.S. Navy to receive the Congressional Medal of Honor. Moreover, there is currently a grass roots effort underway to encourage the SECNAV to name a ship after Trinidad in honor of not just his heroic actions, but the service of thousands of Filipinos who served in the Navy.

2022 is the year of the community. I'm part of this community and you're part of the community. Reach out to the people you know and share VetCoin with them. VetCoin is all of us.

RLTW!
Russ
