

VetCoin HQ Dispatch
Vol. 17 2022-01-17

400 Subscribers!

Sometime over this past week we hit 400 Dispatch recipients, and that is fantastic. It's also not enough. Every week I review the numbers on this metric to see how the VetCoin community continues to grow. I'm happy, but we have so much more to do! Get involved. Be a VetCoin Ambassador. This is how we **CONNECT**!

Video Tutorials

We have another short tutorial video about to come out on our YouTube channel. This week Aaron answers the question, "What is the history of the blockchain?"by discussing blockchain from 2008 through today. What to get smart? Watch our videos! Be a VetCoin knowledge base. This is how we **ENABLE!**

Veteran Portal

Veteran Owned Business (VOB) Portal includes Veteran Provided Services and Veteran Oriented Nonprofits. The portal remains a big part of why we created VetCoin. Our goal is to list every veteran owned business in the portal to bring synergy to the veteran community. Be a VetCoin advocate.This is how we can **TRANSFORM**!

Reminder: our Business Incubator Program remains open. Submit your application now because it could get you $5000 and 100m VTC toward improving your small business efforts!

Russ' Note

Every year Florida receives an influx of folks affectionately known as snow-birds. These temporary residents seek seasonal escape from winter weather. The past two football

seasons we have seen a new kind of snow-bird – Patriots Fans who, after their team is eliminated from post season play, quickly become Tampa Bay Buccaneers fans through their affection for TB12 and Gronk. Welcome! The weather forecast is sunshine, warm days, and another week of football.

RLTW!
