## The VETAVERSE is coming!

Over the past week we quietly rolled out **Vetaverse** on the VetCoin website. The Vetaverse will continue to evolve into an entire virtual world for veterans complete with educational opportunities, meeting spaces, commerce areas, gaming, etc. Feel free to try it out! If you have any challenges or questions our team is available to help you through the website chat feature.

## VetCoin and Taxes

It's tax season in the U.S.A. and we want you to know how VetCoin may impact your tax burden. First off, if you bought into VetCoin with cash, it is not taxable and you do not have to report it to the IRS. If you acquired VetCoin using another cryptocurrency, it gets a little more nuanced. My recommendation for everyone is to review the latest IRS **FAQs on Virtual Currency**.

## VOB Portal

I want to highlight a couple of the services and businesses listed in the **Veteran Owned Business Portal**. One is **MERICA Bourbon**, born from military veterans who wanted to share the great taste of bourbon and freedom. I took a look around and you don't have to drink or buy bourbon to support this VOB, you can buy t-shirts, hats, even bottle openers. Another VOB on the portal is **IT VETERANS**, which provides professional consulting services and full life-cycle innovative solutions for the Federal Government and Commercial Sectors specializing in Secure Mobility, IT Infrastructure, Engineering, Cybersecurity, and Business Operations. These businesses and more are listed on our **VOB Portal**. Go check them out.

## Russ' Note

VetCoin will be at the **Synapse Summit** on the 17th! We will have members attending speaker sessions and manning a booth to share ideas about how we can bring technology and innovation initiatives into the Vetaverse. I hope we can see you there! I'll be the guy wearing this t-shirt from our **swag store**!
