Synapse Summit

Over the past couple of weeks I have written about VetCoin at the **Synapse Summit**. It. Was. Great. We took **VetCoin HQ** to the public and made dozens of great connections with other veterans in the innovation space. It was a fantastic day for VetCoin with folks lining up at our table to discuss the VETaverse. Check out our photo gallery below.

Welcome to the VETaverse

Wheelchairs for Warriors has joined the VetCoin VETaverse and we are happy to have them! This is a great organization with a mission to design and build custom enhanced-mobility wheelchairs for veterans injured in the line of duty.

Upcoming Events

VetCoin is lining up for additional great events to build the VetCoin community and help veterans.

FEB 23rd	**NEW! CGC John Scheuerman Commissioning Ceremony**

More Video Content

In addition to our upcoming Webinar, the first in a series titled **Meet the Founders** during which I will interview the VetCoin Foundation Vice President, Alex Morales, VetCoin is pushing more videos onto our YouTube channel. This past weekend I sat down to explain what Connect-Enable-Transform means to me. Check them out.

Russ' Note

Happy Birthday to the United States Coast Guard Reserve! The USCG Reserve was created on FEB 19th, 1939 as a civilian auxiliary. Times have changed for the oft overlooked service.
