Vol. 25 2022-03-14

## Meet the Founders

Keep your eye on our social media posts and YouTube channel. I'm interviewing all the co-founders of VetCoin and we're having very candid conversations about our time in uniform, why we are involved in the VetCoin Foundation, and whatever else we feel like talking about. It has been a lot of fun and I think you will enjoy watching them. You will have already noticed VetCoin is not the typical cryptocurrency effort – and we prove it!

**Happening NOW: the #VETaverse Challenge:** Want 100 VetCoin? Post a selfie with any of the VetCoin Co-Founders - or one of yourself wearing a VetCoin shirt on social media. Tag VetCoin and as many of the Co-Founders as you can using the hashtags #VETaverse and #VetCoin. Do this and we will send you 100 VetCoin!

## Upcoming Events:

APR 14th **Veteran Benefit Social**

MAY 12th **Leave No Veteran Behind** **Hosted by the VetCoin Foundation**

## Russ' Note

Old dogs and new tricks? If you're like me, you have seen plenty of videos on YouTube. The video library they have assembled can be a great resource for learning. I recently deferred to YouTube for help on wiring a new switch in my garage and making repairs to my sprinkler system. Just the other day I started a YouTube Channel… stay tuned to see how it works out!
