Meet the Founders

I mentioned last week you should keep your eye on our social media posts and YouTube channel for updates on our Meet The Founders series of interviews. We're only a few weeks into this project and the conversations I have had with Aaron, Alex, Joey, Raf, Brian, and Ahmad are really insightful. Also, I'm having a great time doing it! There are only a few co-founders left for me to talk with and, if I can teach myself how to edit videos, there just might be a "best of" video coming out in the future.

Get Busy – May 12th is coming in quick!

Time is closing in on the VetCoin hosted Leave No Veteran Behind event at the Tampa Club. We have room to showcase additional nonprofits. Please reach out to one of the founders so we can ensure your services are showcased!

Happening NOW: the #VETaverse Challenge: Want 100 VetCoin? Post a selfie with any of the VetCoin Co-Founders - or one of yourself wearing a VetCoin shirt on social media. Tag VetCoin and as many of the Co-Founders as you can using the hashtags #VETaverse and #VetCoin. Do this and we will send you 100 VetCoin!

Upcoming Events:

APR 14th **Veteran Benefit Social**

MAY 12th **Leave No Veteran Behind** **Hosted by the VetCoin Foundation**

Russ' Note

Recalling March is Women's History Month, I bet you didn't know today is Rosie the Riveter day. My family and I were fortunate to attend a fundraiser in 2019 and the guest speaker that evening was none other than Mae Krier who not only entered the workforce to sustain the war effort during WWII, she literally riveted airplanes for Boeing! Mae was instrumental in the effort behind the Rosie the Riveter Congressional Gold Medal Act. She's an amazing, classy, tireless, and inspirational woman representing the best of her generation.

RLTW!
