GET THE WORD OUT!

What are you doing to grow the VETaverse? It's springtime. I was up in Washington D.C. this past week and had the opportunity during my trip to chat with a few people about VetCoin. People I otherwise likely would not have met. This got me thinking about all the millions of people out there who could benefit from VetCoin or the VETaverse but they just don't know about it. So this brings me back to my opening question, "What are you doing to grow the VETaverse?" It's not hard. You can start with forwarding this email. You could have a conversation with a friend. You can send our website to vetrepreneur. You can tell a nonprofit about the VETaverse. Heck, for me it was as easy as wearing my VetCoin t-shirt to the airport and having several folks ask me about it. Help us grow the community by getting the word out!

Five Week Warning!

May 12th is right around the corner! Get your FREE tickets through Eventbrite for our **Leave No Veteran Behind** event! Panel members will include a retired general officer, leaders in veteran services, and founders of veteran oriented nonprofits. It's going to be great. Did I mention it's FREE? I also want to extend a huge THANK YOU to Bison Investments Inc. and the Sigety family for stepping up and sponsoring this event!

Happening NOW: the #VETaverse Challenge: Want 100 VetCoin? Post a selfie with any of the VetCoin Co-Founders - or one of yourself wearing a VetCoin shirt on social media. Russ' Note

There is no shortage of excitement or activity at VetCoin HQ. We have initiated discussions with several other crypto-projects in the past couple of weeks and we are excited for the future of VetCoin! One organization we have been interacting with is HAVE NFT and they are a really exciting group of folks who, like us at VetCoin, are looking for ways to give back to the veteran community. Feel free to check out their recent release and see what they have to offer.

RLTW!
