VetCoin Partnership with Tampa VA Network

It's true! VetCoin seeks to connect-enable-transform the Veteran community. You know this from our website, videos, and past editions of the HQ Dispatch. Whenever we find another organization with complimentary goals we connect to enable. It's really that easy. With the majority of us in the Tampa Bay area, the Tampa VA Network was an obvious connection. Go check them out and see what they have to offer!

VETCOIN is Getting Around

We're going international…literally! As I write this, Aaron is on a plane bound for London to attend the Aim Higher Gala at the London Science Museum. WOW! So if you're also attending the gala, be sure to get a photo with Aaron. London isn't the only place we're going, Russ is heading to South Beach on Saturday to grab some media attention! Remember, photos with founders are worth 100 VetCoin in our VETaverse Challenge!

Leave No Veteran Behind

It's so close! Every day we are working to make our FREE **Leave No Veteran Behind** event sponsored by **Bison Investments Inc.** a fantastic affair. I'm pretty excited for Alex to announce the winners of our **Business Incubator Program**. I'm also excited to moderate two panels of guest speakers for our discussion on veteran issues and solutions through leveraging blockchain technology! We expect this event to "sell out," but there are a few seats left so if you have considered attending – the answer is YES. Get your ticket NOW, before they're all gone!

Happening NOW: the #VETaverse Challenge: Want 100 VetCoin? Post a selfie with any of the VetCoin Co-Founders - or one of yourself wearing a VetCoin shirt on social media. Tag VetCoin and as many of the Co-Founders as you can using the hashtags #VETaverse and #VetCoin. Do this and we will send you 100 VetCoin!

Russ' Note

Every week I sit down to write the next VetCoin HQ Dispatch, and every week I have to decide which of the great things going on I want to include. This is a Catch-22 (phenomenal book, BTW) because it means there are other great things I don't have an opportunity to present. Believe me, this is a great problem to have. Buckle up, I told you 2022 is going to be big!

RLTW!
Russ
