It's Event Week!

The **Leave No Veteran Behind** event sponsored by **Bison Investments Inc.** is here! To say we are excited to host this event is a bit of an understatement. It's going to be all hands on deck this week with a grand culmination at the Tampa Club this Thursday! Did I mention we're auctioning off custom NFTs during this event? You don't even have to be there to take advantage of the opportunity. It's an event you won't want to miss. I hope you have your tickets because last we checked there were only a few left. So if you have procrastinated about jumping on this opportunity, you just might get lucky. We'll see you there!

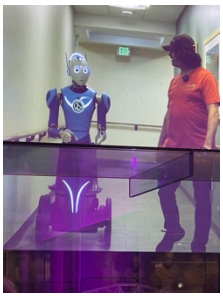

It's May, and that's kind of a big deal

May is Military Appreciation Month and that's a big deal for the armed forces and veterans. All month long there are celebrations and recognitions leading up to Memorial Day. This is why we are hosting our event in May and why we are giving our

Business Incubator Program awards. Something is going on near you this month. Go check it out.

What a week!

Aaron went to London where he hung out with astronauts and robots. Russ introduced VetCoin to members of the Tampa VA Network and went to Miami for a day. COL Bosch retired (congratulations!). And Brian just seems to be everywhere – here he is with a giant check, because of course he is. A few captured moments from just this past week…

Happening NOW: the #VETaverse Challenge: Want 100 VetCoin? Post a selfie with any of the VetCoin Co-Founders - or one of yourself wearing a VetCoin shirt on social media. Russ' Note

Happy Mother's Day to all the warrior women and happy Military Spouse Appreciation Day to the women (and men) behind their warriors. Thank you for what you do. Something I always try to remember is this: I volunteered to serve my country. My wife and children did not. Be thankful for those who support what you do.

We'll see you on Thursday!

RLTW!
Russ
