VetCoin HQ Dispatch

Vol. 34 2022-05-16

Event Recap

The **Leave No Veteran Behind** event sponsored by **Bison Investments Inc.** was a great success! The VetCoin HQ team had a blast and our panelists were fantastic. Thank you to everyone who took the time out of their busy schedules to discuss veterans issues and blockchain solutions. Also, thank you to Jack with the Air Commando Assn., Toni with the Tampa VA Network, and Jon Fultz for co-sponsoring. We couldn't have done this without your support.

We have a winner!

The Small Business Incubator Program is over…for now. Big congratulations to Joshua Reissig (winner) and Joe Kramer (runner up)! VetCoin HQ is sending each of them a cash grant and millions of VTC to help take their businesses to the next level in the VETaverse. And we couldn't be happier! Go check out Josh's Student Review project on improving education and Joe's Ruck On work to bring the community together.

What's Next?

With the Leave No Veteran Behind event concluded, we are back at work to harness the power of the blockchain to connect, enable, and transform veteran communities. Stay tuned in June to find out about **Operation Pegasus**!

Russ' Note

Another great week for VetCoin. We had a fantastic event at the Tampa Club on Thursday. I had the distinct pleasure of moderating panel discussions, seeing great friends who have supported our cryptocurrency and nonprofit journey, and meeting lots

of new friends in the process. It was simply a great afternoon for all of us. On to the next challenge!

RLTW!
